E-Brochure

Tees Valley Music Service

Who we are

TVMS is the lead partner in the Tees Valley Music Education Hub, a music service working in schools and colleges across our four partner authorities of Stockton-on-Tees, Hartlepool, Middlesbrough and Redcar & Cleveland. We provide school music curriculum delivery and support, whole class and individual instrumental and vocal tuition, workshops, teacher training & consultancy. **We are your first port of call for all school music provision.**

Snappy Music

Snappy Music is the TVMS brand of curriculum delivery and CPD, workshops, school pop-up singing events, flashmobs and large scale big sing extravaganzas.

Our **FREE** big sings include KS2 Snappy Christmas, KS1 Snappy Spring and KS2 Snappy Summer, created in support of specialists and non-specialists delivering the music curriculum.

Learning to Sing and Play

Grant-subsidised Whole Class Tuition is offered at every key stage to every primary school. This is often the very first experience a child has of hands-on music-making. Schools may also buy additional tuition to help develop pupils' skills further. **Small Group or Individual Instrumental Tuition** is taught in school or at one of our **Area Music Centres**, allowing children to develop their skills to a more advanced level.

Music Centres and Ensembles

TVMS Pupils receive free membership to our ensembles and choirs. We have weekly music centres in each local authority where beginner to intermediate ensembles rehearse. Players advance to our Premier Ensembles, training to a County-wide level.

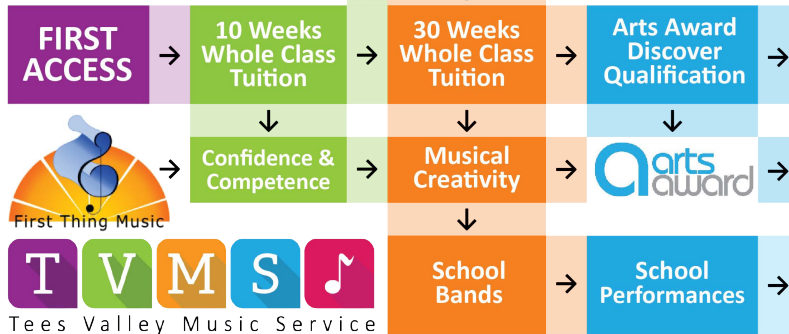

Serving the Community

TVMS is committed to providing events and workshops for the wider community, running community choirs such as **Middlesbrough Community Choir, Yarm Wellness Choir** and **teachers' choirs** to contribute to the positive mental health and wellbeing of the community.

Delivering the National Plan For Music Education

The National Curriculum programme of study is designed to be delivered over all key stages, so at times, it may be appropriate to focus on a specific aspect such as instrumental First Access/Whole-Class Ensemble Tuition (WCET).

Life Skills

Teamwork, Discipline
Improved Concentration
Self-Confidence, Creativity
Puzzle Solving, Brain Boosting
Assertiveness & Leadership
Pattern Building, Language
Reasoning, Coordination
Improved Schoolwork

SUPPORTING THE 7 AREAS OF LEARNING

EARLY YEARS FOUNDATION STAGE

PERSONAL, SOCIAL & EMOTIONAL DEVELOPMENT

Developing an early understanding of social skills, emotions and collaborating with others.

LITERACY

Discovering phonics and identifying words and sounds.

UNDERSTANDING THE WORLD

Learning by observation and exploration.

MATHEMATICS

Describe shapes, spaces and measures and develop skills with numbers and calculations.

EXPRESSIVE ARTS & DESIGN

Music, painting, drawing and technology allows children to develop their creativity.

COMMUNICATION & LANGUAGE

Create an environment for children to express themselves and develop language and communication skills.

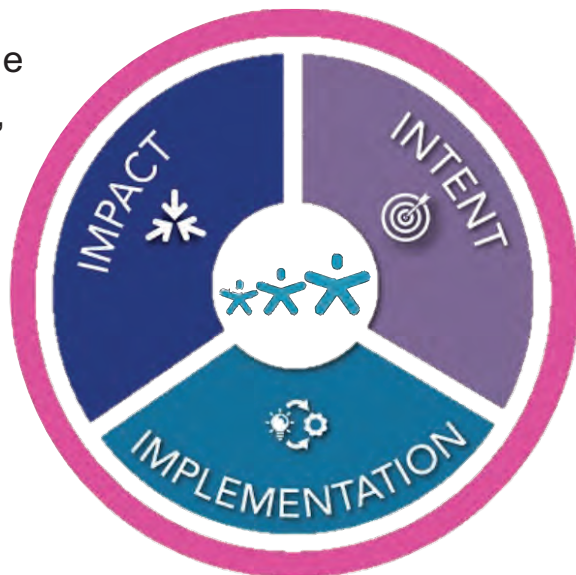

PHYSICAL DEVELOPMENT

Children should be active to support their physical development.

OFSTED Framework

'The curriculum will be at the heart of the framework'

The **intent** of TVMS is to set out the aims of a programme of education, including the knowledge and skills to be gained at each stage. Our **implementation** translates that framework into a structure and narrative delivered in schools. The **impact** on pupils enables the evaluation of progress, gaining knowledge and skills, **knowing more, remembering more.**

FREE OFSTED APPROVED MUSIC HEALTH CHECK

TVMS will help you develop and refine your school's delivery of the National Plan for Music Education and the Model Music Curriculum. This is a free review of your music planning, resources and provision to identify any support needed.

STAFF DEVELOPMENT *from*

- Weekly classroom lessons by TVMS
- Full resource pack of materials
- Termly CPD sessions for all teachers
- Ongoing support throughout the year

Research shows that musical learning makes an enormous difference to children's development

Each week over the full year, a TVMS practitioner will deliver a short musical activity to one class per year group. Classroom teachers gain the necessary foundation skills in their own setting, to deliver that activity daily and share this knowledge with their peers to deliver the same. FTM uses the Kodály approach. (preparation, presentation, practice).

"This is a wonderful programme! It teaches young children all about rhythm and beat. This really helps to support the children with their early oracy and reading skills."

Mrs Tempestoso, Year 1 Teacher. St. Joseph's Catholic Primary School, Middlesbrough.

Part of the Nicholas Postgate Catholic Academy Trust.
