Subsidies (Maximum of 50%)

We will continue to subsidise lessons for students whose parents are entitled to certain income based benefits by 50% and will continue to offer sibling discounts of 25% per additional child. We also offer a 25% discount in fees for those students who have a second instrumental/vocal lesson. All ensemble fees for students registered for tuition with TVMS are included in the instrumental fees. Subsidies do not apply to adult tuition.

NB: There will be a set fee for lessons in pairs but this will be subject to staff time and at the discretion of management. This will allow us to properly handle groups that eventually end up as pairs or are recruited as only a pair. Please talk to your Line Manger if you have any questions. Adult tuition is again subject to staff time and discretion of management.

Yours sincerely,

Susan Robertson
